

Mission Mountain Irish Music Camp: 5 – 8 August

Directions

Here are some more landmarks to guide you as you're driving in to camp: **45513 Foust Lane, Charlo, MT. 59824**

- Right after you turn off Hwy 212 onto Moiese Valley Road, you go under a railroad trestle
- About 2.1 miles later, you'll be at the top of a hill and looking straight ahead in the distance you'll see the farm, the river, and some ponderosa pine trees along the river. Our campsite is around those pine trees at the banks of the river.
- At about 2.5 mi from the start of Moiese Valley Road you will be at the entrance to the farm - MV Road turns right, you drive straight ahead into the farm.
- The sign for the farm is kind of old but present there.
- ONCE YOU'RE ON THE FARM ROAD, GO SLOW TO KEEP DUST DOWN!!!
- You will pass the farm houses, and then you will see a quonset hut on your left.
- Take the second left after the quonset hut. You'll pass a pond, and go through some hay fields, and eventually end up at the pine trees by the river where we are camping.
